

InMediaRes Productions, LLC and WizKids, LLC in talks for rights to publish Classic BattleTech fiction

WizKids, LLC has entered into discussions with InMediaRes Productions, LLC. InMediaRes Productions, LLC hopes to secure the rights to electronically publish Classic BattleTech fiction. A preview site (www.battlecorps.com) is currently active, with plans to launch the full site later this year.

About InMediaRes Productions, LLC

InMediaRes Productions, LLC was founded by Loren Coleman, author of over a dozen novels, ten of which have been set in the BattleTech and MechWarrior universe. The company was formed with the goal of obtaining the rights to create high-quality fiction set in the Classic BattleTech universe, delivered on a frequent schedule through a subscription based website.

About WizKids, LLC

WizKids is a Seattle-based game developer and publisher dedicated to creating tabletop games driven by imagination. Its Mage Knight, MechWarrior and HeroClix(tm) collectable miniatures games are among the most successful games on the market today, and have sold more than one hundred million figures worldwide.
